

## Giddyup You Obstinate Mule!

On April 30 a new phenomenon came to Kearny High — Donkey Basketball. Featuring real live donkeys, Kearny's favorite teachers challenged the best Komet students around.

The game took place in the boys' gym. A near capacity crowd witnessed the premiere performance of this basketball classic. Highlighting the game was an un-

believable comeback by the faculty. **"Swish" Short** pumped in ten points to lead the faculty's surge. **Final Score: Teachers 38, Students 36.**

All enjoyed the contest except for one— **Tim Moore**. In the third stanza **Tim** was knocked to the floor and kicked by his donkey. That was the end of **Tim's** Donkey Basketball career.
